Social Management and PPC:

4 months course by "Tapuach" foundation and Microsoft, graduate.

BFA - Tel Aviv University, Film Department

Got the Diploma in 2012.

Matriculation Certificate

Got one as well, in 1999.

Full Military Service - Combat Fighter.

Yeah, we mention that in Israel...

Born in 1981. Other than that, what else?

Professional, courteous and creative, self-taught, with attention for details and excellent time managing skills - on a personal and on a systemic level. A natural leader, or at least that's what people say; Strives in times of pressure, loves a deadline, knows how to make the best with available resources, to the highest standards. Believes that without good spirits nothing will be accomplished. I don't know how to put in less than 100%, and I make a mean cup of coffee.

DemocraTV - Digital and Content manager 2020 - current

Content Manager: creative, Director and manager for all non-news content, about **2 hours** per week of original video content, including **podcasts, influencers, content creators** and more.

Digital manager for 5 online platforms, including all 4 major social media platforms. In 4 months, I have doubled and even tripled followers on social media and raised engagement in 250%.

LaMetayel - Head of Video Department 2019 - 2020

White Beach Productions - Senior Partner 2011 - 2019

Content Development, Writing, Directing, Producing (including Post Production), Marketing and CRM. [In this Link](#) - finished projects I wrote, produced and directed. Also, I handled their copy, marketing and distribution (both in Israel and Worldwide), and I built the company's website. **Managed large crews** of up to 50, and working with all types of budgets - from 0 to seven figures.

Snowball Studios 2017 - 2019

Senior **Producer/Project Manager** for **international animation** shows, high budget commercials and mid-long term 3D projects, including VR. Also a **creative lead** from time to time - and managed a staff of up to 150, in 3 locations.

Scripts, Creative and Just Plain ol' Writing 2006 - Current

10 Scripts for Feature films. 5 of them produced so far, including 2 produced scripts for the Orthodox women demographic... **3 scripts for 50 minute films.** All 3 were produced, with commercial screenings.

3 American Scripts - as script editor.

Dozens of scripts for short films, Commercial and Product films, and other different kinds of media that people watch.

Creative and Copy - never studied it - honesty is the best policy ☺

But... I did freelance creative and copy for various projects, from taglines, posters and designs, for individual clients and advertising agencies.

Craze Digital - Content Manager 2012 - 2016

Managing and Editing Music Content - over 5000 tracks, buying and compiling playlist, total sales of over -1M copies in iTunes and Spotify.
